Team Description

Medical Football Team Canada is an organization that selects 2 teams that travel internationally to the World Medical Football Championships each year. 2020 will be the 5th year that the team has participated in the international competition. The team placed 16th last year in Mexico.

The team is composed of practicing physicians from across Canada.
www.canadamdfootball.com.

The Open team plays in the Morrell Cup Competition which is 6 matches of 80 minutes over 7 days. The Masters team plays 6 matches of 60 minutes over 7 days.

Unique Aspects

- Travel to international destination
- Opportunity to coach highly motivated individuals
- Difficulty in meeting all players prior to event
- Training weekend in California with Medical Football Team USA
- Unique national coaching opportunity for motivated coach
- 22+ Nation Tournament
- 2 Teams (Masters and Open)
- Emphasis on Friendship through Football
- Special age restrictions for on-field players
